Buy one Flip camcorder, get another free!

Thanks to the generous support of Flip Video, Digital Wish is proud to offer the ideal tool for integrating video into your classroom AGAIN for the 2010 back-to-school season!

Over 30,000 Flip Camcorders have been placed into the hands of teachers nationwide last year. Have you reached your cap? If you have purchased fewer than 2 sets of Flips through this program you are still eligible. If you have reached your cap, forward to co-workers who have not heard about this exclusive offering to Digital Wish educators.

Just log in to <http://www.digitalwish.org> and click on the 2-for-1 banner or use the link below to access the product page. You can either purchase it directly or add it to your wish list, and tell everyone you know about how they can help make a difference in your classroom.

We at Flip Video and Digital Wish are committed to helping teachers bring video into the classroom and share the great work that happens there.
