ADOBE PHOTOSHOP 20TH ANNIVERSARY

Here's to the next 20 years of Photoshop

2010

Timeline milestones: 1990 Curves, 1995 Layers, 2000 Vector Shapes, 2005 Red Eye, 2010 3D Image Editing

Celebrating 20 years of imagination never standing still

For 20 years, the world has used Adobe Photoshop software to transform creative inspiration into nearly everything we see in print, online, and across media. It's time to celebrate — and see what today's Photoshop family of products can do for you.

Celebration buzz around the world

Now in 27 languages, Photoshop has users around the world celebrating the 20th anniversary.

Pour ses 20 ans, Photoshop réinvente son histoire et propose à chacun d'imaginer les images qui vont avec. Participez et tentez de gagner la possibilité d'exposer vos œuvres !

20年間、止まらない想像力

Photoshop wird 20. Feier mit auf dem Portal für die Creative Community und erlebe Photoshop immer wieder neu.

Watch Adobe Senior VP Creative Solutions Johnny Lloacono, NAPP, and other industry experts and gurus highlight the history of Photoshop

Watch amazing creative pros show off their Adobe CS4 skills, get play-by-play commentary, and help judge the winner by posting to the online forum.
