

NAME _____

SKILL CHECK LIST _____ CigarMANact DG&A
K206 kougarmelton

01. Duplicated the background layer and turned off layer visibility
02. Used the Quick Selection tool as directed
03. Cut and Paste _ cigar image
04. Save file as "cigarMANlastname.psd" to my Skills Folder
05. Name each layer
06. Held down the Option Key while using the Clone Tool
07. Restored CigarMAN's lips by defining the lip structure using the Brush Tool then cloning the lip texture using the Clone Tool
08. Changed the transparency on the Clone Tool Brush to blend areas.
09. Changed brush options to "Feather" or "Hard Edge" for finishing effects (feather for center areas and hard-edge brush for edges of chin and lips)
10. Made a new layer with an Elliptical Selection to create the Bow Tie, then filled it with black and went to Edit>Transform>Rotate to move into position.
11. Restored the shirt using learned skills and my "cleverness & creativity"
13. Restored "hair" by using the Clone Tool and selected Brushes
14. Changed the color of cigarMAN's Jacket by selecting and going to > image adjust > hue and saturation.
15. Filled out > File Info
16. Selected the Eye Glasses Glass >new layer > filled with green> Blend Mode "Overlay" > file and saved as .psd and jpg. (two copies one .psd one .jpg)
