Before we get started let's have Bridgett introduce our Choir members and tell us a little about our SWHS Choir History.

Thank you Bridgett and Choir Members, welcome to Tiger TV and for adding such a special holiday touch to the show.

There have been so many great events and happenings on our campus this Fall that Tiger TV wanted to bring to you a few highlights.

To start off we have a video edited by Michael Ramirez showing our Spring Woods **Traditions Broadcast** and highlights of the Northbrook/Spring Woods Game.

Mr. Kirkwood for allowing us to share in the excitement of NASA

Next we are going to show parts of the interview with **Chris Crutcher** the famous book writer. Mr. Crutcher spent a day on our campus speaking with students from the 10th grade English classes.

We have two clips to show, the first is on general questions from Corey and myself and the second is from Shane Healy who asks about “personal relationships”
