SKILL CHECK LIST _____ Football ILLUSTRATION DG&A
K206 koug-ar-melton

01. Use the selection OPTION > Intersect to make a football shape
02. Turn the shape into a FORM using the brush TOOL
03. Added 8 white stitches with an added Layer Style (bevel & emboss)
04. Grouped the stitches into a LAYER GROUP (folder)
05. Created 2 long cross stitches white / beveled & embossed and "grouped"
06. Added white end stripes / trimmed using the selection around the football. Add center seam.
07. Shaded (brushed) the end stripes to give continued form to the shape
08. Added decorative black trim around the stitches using the TRANSFORMATION menu and options (look closely at the game ball photograph to be accurate)
09. Added a pattern overlay to simulate "pig skin" and changed the layer settings as directed
10. Added Text > warped as needed with other detailing, to the football.
11. Trimmed the ends of the football graphic
12. Added a Transformed Gradient Background using blended layers and your vivid imagination
13. Filled out FILE INFO with _ footballYOURLASTNAME _ copyright
14. Added Text Title to your poster and BALANCED the graphic objects
15. Sign your name in the right hand corner using black Helvetica size 10

Sign your name as completing all the requirements of the Football Illustration Poster. (use a small brush to sign)
